We Are A Thriving United Methodist Church

Friends,

What a joy it was to join in worship in the Sanctuary after four weeks in Lindsay Hall. Touch-up work has been completed. The sound system has been reset to take into account changes in the acoustics. The church listening devices are available for those desiring. We will also be sharing instructions for installing and using the *Listen Everywhere* app on your cell phone. It is Wi-Fi based and can stream sound directly to Bluetooth-enabled headphones or hearing aids.

With the tragic results of Hurricane Ian there is tremendous need for relief. Weather and war are causing troubling distress all across the globe. So, once more I am appealing to you to join me in generous giving over and above your regular giving to support the ongoing financial needs of our church. Simply indicate the amount you wish to give to UMCOR (United Methodist Committee on Relief) and we will forward it on to help make a difference.

Thank you so much for your ongoing support of our church and its ministries through your prayers, attendance, gifts, service, and witness.

Marvin

UNISON PRAYER

Almighty God, today we gather to remember those who have gone before us. They were caught by an opportunity to share their faith as they joined in a vision to establish a church here in Sun Lakes 35 years ago. They lived out that faith as the church grew in size and ministry. Today, we honor their memory by our commitment to faithfully follow your leading in being the church you call us to be in this time and place. Our hopes are built on your eternal love for us. By his death on a cross, Jesus showed us there are no limits to love. We confess our slowness to learn, remember and live out this unlimited love in our lives and relationships. Forgive us when we build walls and set conditions which separate. May our appreciation for your love in our lives be seen in how we treat each other in our daily lives. Grant us to never be ashamed to proclaim the name of Jesus who has saved us from our sins. We want to be your faithful people. Amen.

Veterans: Hear about a Civil War General who was a soldier and a diplomat

Veteran's Day will soon be here, and it is fitting to pay tribute to an almost forgotten American warrior named Winfield Scott. In his day, General Scott was America's preeminent soldier and diplomat. Historians often paint a distorted picture of "Old Fuss and Feathers" due to his advanced age at the onset of the Civil War, failing to recognize earlier accomplishments. Over much of the 19th Century, Scott designed and commanded a professional army that proved over and over again his war-making skills; however, Winfield Scott won many of his most stunning victories short of fighting and without shedding blood.

Dinner begins at 5:30 pm with submarine sandwiches, chips, and an ice cream bar. Make sure you R.S.V.P at (480) 895-8766 so we have enough food for everyone!
