UNISON PRAYER

Eternal God of bright and abiding light, you have shone on us in the person of Jesus, a new way to live. You poured your light into the world and invite us to live in the light rather than hiding in the darkness of doubt and despair. You promise to be our light all our days and ask us to place our trust in you. In this new year, we bring to you the names and situations of others for whom light seems to be a stranger. Hear our prayer for those who struggle with ill health, economic hardship, damaged relationships, loss of loved ones and anxiety. We place them in your care and ask you to guide us in bearing light in all that we are and do. Hear our prayers. Amen.
